

Laptop Donation for Disadvantaged Children

In support of a meaningful initiative of ELCHK Tuen Mun Integrated Youth Centre, we are collecting your old laptop computers for underprivileged children from low-income and new-immigrant families in Tuen Mun to provide educational opportunities and help them integrate with society.

Your old laptops will be sent to ELCHK, which will provide maintenance support to help these children benefit from the vast learning opportunities a computer can offer. We sincerely invite your generous support to promote the computer literacy of our future leaders!

Preferred technical specifications:

- Pentium 4 CPU equivalent or higher
- Free from major malfunctions
- With licensed operating system
- With power (A/C) adapter
- Supply system restore disc (if available)

Deliver your laptop computers to:

CPA Australia - Hong Kong China Division
20/F Tai Yau Building, 181 Johnston Road
Wanchai, Hong Kong

Collection deadline: Friday, 26 February 2010

Friendly alert on data privacy - Please remove any private information from the computers or supply manufacturer's system restore disc. ELCHK and CPA Australia shall not be liable for any loss or damage caused by the usage of any information obtained from the donated computers.
